**BILL SUMMARY:**

House Bill 3995 amends the Code of Laws of South Carolina, 1976, by adding Article 77 to Chapter 3, Title 56 which would allow the Department of Motor Vehicles to issue special license plates to the members of the GLEAMNS Human Resource Commission for their privately owned cars.

**EXPLANATION OF IMPACT:**

The Department of Motor Vehicles (DMV) indicates that cost for the set-up and implementation requirements of this proposed legislation will be approximately \$3,830. Section 56-3-8100 states that before DMV may produce and distribute such license plates it must, among other things, receive four hundred prepaid applications for the special license plate or four thousand dollars from the individual or organization seeking issuance of the license plate. There are twenty-one members of the GLEAMNS Human Resources Commission.

**LOCAL GOVERNMENT IMPACT:**

None.

**SPECIAL NOTES:**

Section 56-3-810 also states that if the department receives less than three hundred biennial applications and renewals for a particular special license plate, it shall not produce additional special license plates in that series. The department shall continue to issue special license plates of that series until the existing inventory is exhausted.
